

TCA DAY WOMEN'S CHAMPIONSHIP 2022 RULES

THESE RULES ARE SUBJECT TO UPDATE TAKING CCA, OCA and HOST CLUB PROTOCOLS IN TO ACCOUNT

1. The event will adhere to the CCA, OCA and Host Club Guidelines effective November 8, 2022.
2. Team members do not have to belong to the same club.
3. Event competitors must be 19 years of age or older as of the start of the event.
4. Players under the age of 26 must review the Concussion Awareness Booklet and bring the original or a copy of the signed Receipt of Review of Concussion Awareness Resource form to the first game of the Championship.
5. All games shall be eight ends and may be conceded at any time. Games must be conceded when mathematically impossible to win. Ties on Tuesday will be broken with a single draw to the button. If during final games on Thursday a tie exists, a full end will be played towards the glass.
6. Players may compete with a delivery stick according to the Curling Canada rules
7. A team must consist of four players
 1. **If there are only three at game time**, the team must take a spare provided by the host club. If the missing player is expected they may start with three but must take the club spare by the beginning of end two. The missing player may replace the spare at the conclusion of any end. The spare must play a position, not just sweep. The spare may play the missing position or lower as the team desires.
 2. **A team with two players or fewer** will be penalized one end and one rock for every 10 minute delay and the non-offending team will have last rock to begin. After 30 minutes the game will be forfeited. A forfeiting team should make every effort to have a team ready for subsequent games. The umpire may postpone the starting time of a game for just reasons, eg. Major traffic delay or inclement weather.
8. In the course of the bonspiel, a team is allowed unlimited spares. A player beginning the bonspiel may not spare for another team after being eliminated. However, a player who spares for one team may spare for another team later.
9. Decisions of the club umpires according to the rules are final. If a decision cannot be made the draw master may be contacted for consultation.

Broom Head & Sweeping

Players may use any commercially available broom head during the TCADWC.

If you have any questions ahead of the Championship, please get in touch with the event organizer.
